EXPERIENCE

Department Supervisor | Lowe's

October 2022- Present

Leading and enabling a team of associates to deliver the best possible customer experience. Including coaching and training associates, delegating, following-up on daily tasks, managing performance, and ensuring adequate department coverage. Obtaining broad product knowledge and the ability to engage associates and customers across departments.

Kitchen and Bath Designer | Home Depot

January 2013 - October 2022

Engaged customers to learn about their project needs and budget to help them accomplish their project goals. Implemented product knowledge and specialized software to design the customers dream kitchen.

Graphic Artist | FastMac

August 2008 - May 2014

Worked as part of the creative team to design logos, labels, new products, packaging and product install manuals. Primary duties included taking photographs of new products, updating the product page on fastmac.com, designing flyers, business cards, banners and packaging; as well as logo and product concepts.

Graphic Artist | Country Music Television / Viacom

December 2007 - August 2008

Worked as an intern on the creative team. Maintained CMT website for individual artist landing pages and events. Cropped, color corrected and sharpened images and posted to corresponding pages.
